Dear Eric

[REDACTED] I have been asked to serve as managing director, of the Lewis Reagan Foundation.

Serving at present in addition to myself are Amon Carter Jr,
Louis Eliasberg Jr., C.M. Johnson, Dr. J.H. Judd, Mrs. R.H. Norweb,
Mrs. June Pond, C.H. Ryan, Nate S. Shapero, Abe Kossoff.

We have lost a few board members lately and the purpose of this letter is to ask you to accept an invitation to serve on our board. Of course the work is hard, you must attend an annual meeting at the A.N.A. show. The pay is low, only my thanks if you accept.

The Foundation gives out a number of awards at many shows during the year including the Burton Saxton award, The Robert Friedberg award etc. Our financial position is excellent and our annual income is more than enough to pay all expenses. Hope you will accept.

Best Regards

To: All Directors of
The Lewis M. Reagan Memorial Foundation, Inc.

Subject: New Managing Director
Statement of Operations
Statement of Assets and Liabilities

First of all, let me say what a great honor and pleasure it is to be the new managing director of the Lewis M. Reagan Memorial Foundation, Inc. When first approached about taking the job, my reaction was what fun it would be to give money away! Seriously, I'll do the best job I can with the foundation and to uphold the ideals and memory of Lew. I met him only once, but have never forgotten that meeting.

Most of you know me, but for those that don't, my prime interest and activity the last few years has been as chairman of the A.N.A. Young Numismatists committee and a member of the A.N.A. board. Like most of you, I'm active in a number of numismatic organizations such as TAMS, NLG, Indiana State Numismatic Association, Society of Ration Token Collectors, Love Token Society, Check Collectors Round Table, etc. My main collecting interest is in countermarked coins, but I'm also quite interested in old checks, old stock certificates, and, of all things, expired credit cards. I'll look forward to meeting those of you that I don't already know. Thanks for the opportunity to be managing director.

Enclosed are statements of Operations and Assets & Liabilities prepared by Max Schwartz a few months back.

Respectfully,

Ken Hallenbeck
